Everyone please come to hear our slate of nominees for  
the 2009 NCEC Board of Directors.

Childcare is provided.

New Covenant Friends,

It's November, and for New Covenant that means it's time to vote for new board members. Pray about this. The men and

women that you select will be entrusted with the well-being and leadership of the Emmaus Community

through 2011. But we also share our election process

with our Chrysalis brothers and sisters. We will be se-

lecting both adults and youth to serve on the Chrysalis board through 2011. We vote not as exclusively Emmaus or Chrysalis members, but as

members of the New Covenant Community!

Contrary to popular belief, a Chrysalis Flight is NOT just an Emmaus Walk for youth. Emmaus is designed for established church members,

solid in their faith. Chrysalis is designed for young Christians who are maturing spiritually while dealing with the issues of adolescence in a

permissive society. That's a big difference, and it

requires a very different approach by the community (board) leadership.

So why might the Holy Spirit be calling you to take

an active role with the New Covenant Chrysalis pro-

gram? The easy answer is that Chrysalis is serving the future leaders of our church. But it's much more than that. The next Billy Graham

might be playing drums in your fellowship hall on Sunday evenings. Tomorrow's Charles Spurgeon might be mowing your lawn. The kid shoot-

ing hoops in the church parking lot may be a young C.S. Lewis. And the hero who inspires these youngsters might be nearer than you think.

Maybe in your mirror! So pray about choosing our Chrysalis leaders.

Pray about becoming one.

De Colores!

## **ACTION: GIVING OUR HANDS TO CHRIST**

### Group Reunion

Reunion groups provide a natural launching pad for mission in the community. Reunion groups are also a support base for acts of agape for Emmaus weekends. Shared engagement in service to others deepens friendships and opens up avenues for Christian Action.

Some groups, where members relate to the same church, find a shared ministry within their congregations. Other groups choose to serve together on a committee for an Emmaus weekend or make it their mission to clean up facilities after an Emmaus weekend. Many groups spend time making table agape, creating banners, and writing general agape letters to support their own and other Walks to Emmaus. Some Emmaus groups take on ministries in their local communities.

As valuable as group activities and a sense of common mission can be, Emmaus groups must remember that these efforts are “extracurricular.” Always make time for the primary work of the group—reviewing the service sheet and reflecting on Christ’s presence and call.
