A MESSAGE FROM OUR COMMUNITY LAY DIRECTOR

Dear NCEC Community,

I want to thank you for your support of the NCEC Board and the decisions we made this year. It has been my pleasure to serve you as Community Lay Director. You have blessed my life by allowing me to be a part of yours. I ask for your continued support of the new NCEC Board in 2010. The Board voted unanimously to increase our walk fees to \$125 for 2010. This was necessary to cover the expenses for our walks, and to insure that our community continues to stay in good financial standing. We hope that you are understanding of this increase. We also want to thank Friendship UMC for their love and generosity in allowing our Community to use their beautiful church this past year for Gatherings and Board meetings. Gatherings will be held at Good Shepherd UMC in 2010. Thank you Good Shepherd!!!

I pray that you all have a blessed Christmas and Happy New Year!!!

Jan Morris
NCEC Lay Director

A MESSAGE FROM OUR COMMUNITY SPIRITUAL DIRECTOR

I Corinthians 15:58, "So my dear brothers and sisters, stand strong. Do not let anything move you. Always give yourselves fully to the work of the Lord, because you know that your work in the Lord is never wasted." (New Century Version)

I want to wish you and your families a Merry Christmas. I hope that during this season of hope and joy you will experience the peace that only God can give. Giving is what God is all about. He created us to give to us gifts beyond our comprehension.

Please remember that according to the above passage, your tireless service in this community is not wasted. God is using you to change lives. We see it every walk again and again. The time you spend in preparation to work a walk, the time spent away from your family and your job is time invested in sharing God's love with others. It is passing the gift along, repeating the process over and over.

I thank God for your hearts to serve. Please continue to pray for our 2010 walks. I wish for all of you a Happy New Year and God's Blessings.

Tim Buchanan

What do you know about Chrysalis?

Before it becomes a butterfly, a caterpillar goes through a growth stage during which it is called a "chrysalis." On the surface it may not look like much is happening, but the delicate chrysalis process changes the fuzzy caterpillar into an awesome butterfly with wings of intricate designs and intense colors. ((Sounds a little like an Emmaus Walk, huh?)) The chrysalis process symbolizes how Christ can transform you into something beyond your dreams.

Listen! Is the Holy Spirit whispering in your ear the name of a young man? Someone ready to spend three days growing closer to Him? Maybe "Christ is Counting on You" right now!

The New Covenant Community *Chrysalis Flight #31 (guys)* will be held at Crystal Springs Camp, May 29-31, 2010

High school guys at least 15 years old are invited, as well as college-age guys up to 21 years old. Applications can be obtained on-line (see below) and must be received by the registrar no later than two weeks before the flight, so don't dawdle!
